Diggin' the Grave, the Coffin is ready.
Stop your Life's Tape for it's your Fate.
All your Life you've been diggin' the Grave
Nothing's lost and nothing's safe

1.) All your Life your Illusion's failed
The Coffin waits hammered and nailed
Eternal Life is just a Fake
So dig the Grave for heaven's sake

Diggin' the Grave, the Coffin is ready.
Stop your Life's Tape for it's your fate.
All your Life you've been diggin' the Grave
Nothing's lost and nothing's safe

2.) Cemetery Gate waits for you
The tombstone set and waitin' for you
So dig down deep, deep inside
The womb of earth so warm and tight

Diggin' the Grave, the Coffin is ready.
Stop your Life's Tape for it's your fate.
All your Life you've been diggin' the Grave
Nothing's lost and nothing's safe

Diggin' the Grave, for those to follow
It's our Ashes they will have to swallow
Diggin' the Grave for those to follow
It's our Dirt that they'll have to swallow
