

Navy Blue

Intro: ||A5|C5|A5|B5|A5|A7||

Refrain 1:

D
We're not black we're navy blue
A7
and we are arresting you
D
in the name of our, awesome super power
A7 D
we are not black, we're navy blue

1.)

D A7
I don't know where your Problem is seriously,
D
Corruption has always worked for me!
A7
By the way we're back to using CFCs
D
A little cancer never killed anybody
A7
Aw, you're gonna cry from a little tear gas
D
Shut up you punk and move your ass!
A7
We don't sing songs of freedom here
D A7
So get out you damn queer!

Refrain 1

We are not black we're navy blue
but we are arresting you
in the name of our, *awesome* super power
and the party likes it too

Interlude:

(G)e h
Your peasant blood will flood the streets,
G A7
But we don't give a shit, obviously!

2.)

D A7
When **we** are done with you and you resist to forget,
D
We'll just shut down your Internet!
A7
Your two-year-old is quite obviously
D
A member of a terrorist conspiracy
A7
We'll send him to a camp - only voluntarily
D
But to participate is mandatory
A7
Where we are going we leave a big mess
A7 D A7
It's no coincidence we (almost) look like the ßß

Refrain 1

We are not black we're navy blue
but we are arresting you
in the name of our, *supreme* super power!
and the party likes it too
